# Hey There Neighbor!

# Vote JAY REVELL

Like you, I'm frustrated that our local government struggles to solve persistent problems such as housing affordability, violent crime, and income inequality. That doesn't have to be the case though. **We need leaders who listen, engage, and help shape outcomes that benefit us all.** That's why I'm running for the Leon County Commission.

My top priority is to make sure you can enjoy an **affordable, safe, and thriving place to live.** With your support, I know we can make Leon County an even better place to call home. I'm asking for your vote, so that we can tackle our big challenges and move our community boldly into the future.

**I Hope to Earn Your Vote on August 23rd.**

Candidate for the Leon County Commission District 5
